Rules and regulation

1b. This international bowling tournament is a competition organized for trios, where only players (M/F) with an international amateur license, and in line with their national federation, and also as honorary member (*) by DEE CEE's-GEBO BC, may participate.

For participants without an official average: there will be drawn three games after the shift which will serve as a basis to calculate their handicap. (Declarations concerning the average drawn up by clubs, are not valid.)

4. The foreign players must sign a statement regarding their membership to one or more federations indicating their highest federation average, and they will be registered under their possibly BBSF-license number.

5. The playing rules of the F.I.Q.-WTBA and the BBSF apply. Only amateurs are allowed.

6. Participation fee: 5,-€ per participant

7. Reservations and information:

• Telephone:

HERMAN GOESSENS: TEL.: +(32) 54 - 33.27.08
GSM: 0473 - 28.77.34

• ONLY via E-mail: memorial@dcgbc.be

8. One trio per lane.
9. The lanes will be assigned in accordance with the entering of the inscriptions.
- 10a. The tournament is played per trio scratch and handicap, followed by a final singles scratch and handicap.
The eliminations over 6 games are played with changing lane after each frame, and after each game by moving 2 lanes to the right.
All rankings (scratch, handicap, 60+) are made in accordance with the scratch scores, and, according to the scratch scores plus handicap.
Only 12 highest series singles scratch, 12 highest series handicap are eligible for playing the finals. Average $\geq 200 = hc\ 0$ (only the participants with $hc=0$ are not included in hc ranking singles; ditto for trios with $hc = 0$ who are ranked only in trios scratch).
- 10b. The maximum handicap is 45.
The handicap will be calculated for the BBSF federated players 80% on 210 according to the official average on their BBSF-license.
- 11a. The obtained results in the eliminations will also include the final ranking before playing the finals.
- 11b. The final is played over 3 games starting from 0 (zero).
The results of those 3 games is the final endranking Scratch and HC. Please note that the first 12 after the eliminations may only claim a prize if they have taken part in the finals. In case of ab-

sence they will be replaced by a booster-player and not by the next in the ranking, and the prize money will also not be handed.

- 11c. During each shift a prize of 225 € will be awarded for the highest trio series on 6 games scratch and for the highest trio series on 6 games with handicap (interval calculated on the trio-scores).
- 11d. **New:** There is a special prize fund only for 60+ (mix M/F, born before 23-03-1960), scratch and handicap.
The prize obtained in this category does not exclude a prize won in another ranking of our tournament.
- 11e. For each ex-aequo qualifies first the smallest interval between highest and lowest score and then the highest score (for both cases: in the shifts over 6 games, in the finals over 3 games).
- 11f. It is impossible to win at the same time a prize in scratch and handicap. The participant who would post for both, for the finals scratch and for the finals handicap, will play in which he is highest positioned, with priority for scratch.
The same way for the trios and the 60+ classifications.
- 12a. Only for the shifts: Any player arriving too late will start his game with the frame that was begun at his appearance on the lane or lanes to which he is assigned.
Regaining is not allowed.

- 12b. By not showing up or forfeit the payment of all participation costs remain property or exigible by DEE CEE's-GEBO BC.

- 12c. Participants are requested to be present at least 20 minutes before the start of their shift.
